

## Scholarship and Grant Conditions & Criteria

**theporterproject** is proud to offer a select number of high school or college athlete's scholarship and grant opportunities. The amount of scholarships/grants/dollars awarded each year will be approved on an individual basis by **theporterproject** board of directors.

The deadline to apply for scholarships is **March 31<sup>st</sup>** of each calendar year for payments to be awarded for the following school year. Submissions after March 31<sup>st</sup> will be denied. There are no exceptions to this policy.

Each student who is interested in applying for a high school scholarship or a college grant needs to adhere to the following guidelines to be considered:

- Submit to (2) drug screenings within the scholarship or grant period by a facility or clinic that is approved through **theporterproject** foundation, within 72hrs of notification.
- Maintain a minimum of a 3.5 grade average in all educational disciplines.
- Allow **theporterproject** to track, follow, write, publish and advertise the student throughout the time period that the scholarship or grant is taking place. Solely at the discretion of **theporterproject**.
- Student **must** portray and live a come**clean**/come**strong** lifestyle throughout the period that the scholarship/ grant takes place. Must be a leader on their team with no disciplinary issues or suspensions.
- Student **must** have a minimum of (3) written recommendation letters from previous facilitator, previous coach, and a community leader (pastor, manager, community leader, volunteer director).
- Student will be required to submit a registration for upcoming classes and prior semester's grades/GPA before funds are dispensed.
- **Theporterproject** has the right to evaluate and terminate the scholarship if any of these conditions and criteria is not met to the satisfaction of the foundation.
